The Magic Garden School Inc is committed to serving families from diverse backgrounds and has always had many children in attendance who fall below the poverty line. Currently 9 out of 25 students recieve government subsidies.

an awareness of community and social skill building as well as a non-competitive introduction to early academics. Additionally, children are taught handwork through a wide variety of artistic mediums, from sewing, felting and painting, to knitting, wood-working and doll-making. The families of the children have been educated in topics regarding parenting and academic and health related issues through 8 parent evenings held throughout the year, which were open to the greater local community as well. The Magic Garden School accepts children with childcare subsidies, so that children living in poverty can attend the program. The Magic Garden School school was recently awarded a '4 Star' distinction through Vermont's Step Ahead Recognition Program, which evaluates preschools and daycare centers statewide. This status allows parents who attend our program to receive greater subsidies. Additionally, The Magic Garden has been recognized as a 'school of excellence' and thus has begun a contractual partnership with the Orleans Southwest Supervisory Union (OSSU), which allows children from local towns to attend The Magic Garden, while the school district pays their tuition.
