## Section D, Line 2

The Association of Notre Dame Clubs, Inc. - Vermont (supporting organization) maintains a close and continuous working relationship with the University of Notre Dame du Lac primarily via Clubs' volunteer staff, University alumni management personnel, and both regional directors and the national alumni board of directors. The contact with officers of the clubs is maintained by staff through proactive outreach based on election cycles of each individual club, on-boarding new officers, ongoing contact and support via phone, email, and social media, as well as formal reporting of club activity on an annual basis. Club support is maintained through active outreach on the part of the University to the Clubs through regular periodic update sessions made available to the Club as well as frequent contact initiated by Club officers to the Association.

## section D, Line 3

The Club maintains minimal investable assets, so no investment policy input is needed from the supported organization. This is also the case because funds raised by the Club are typically at least annually forwarded to the supported organization, whose management investment expertise would then control asset allocation and investment policies, and determine scholarship recipients related to funds received from the Club. As mentioned above, the close and continuous working relationship is maintained by regular interactions between the Alumni Association (dedicated arm of the supported organization) and the Club officers and board members, both by means of formal periodic training sessions for the Club and unlimited informal access by phone, email, and social media as questions arise throughout the year.

**Part VI** **Supplemental Information.** Provide the explanations required by Part II, line 10; Part II, line 17a or 17b, and Part III, line 12.
